- Providing backstage support during shows, ensuring children feel calm, supported and organised
- Assisting with the planning and delivery of Streetz Fest, our annual outdoor festival featuring live performances, children's activities, food and clothing stalls
- Supporting our annual children's discos and other community celebration events
- Volunteering at outdoor educational and wellbeing programmes
- Helping to set up, steward and welcome families and community members at events
- Supporting inclusive participation, particularly for children with additional needs or emotional challenges
- Working collaboratively with staff to maintain a safe, inclusive and positive environment

- Understanding of safeguarding, wellbeing or child development (training will be provided)
- Confidence supporting children with diverse needs, including those with additional emotional or behavioural challenges
